[Intro]

Everything I do  
I do it for a girl  
I do it for a girl  
I do it for a girl

Everything I do  
I do it for a girl  
I do it for a girl  
I do it for a girl

Girls, oh girls, they turn my mind around in circles  
Oh girls, oh girls, they turn the world around in circles

Everything I do  
I do it for a girl  
I do it for a girl  
I do it for a girl

Everything I do  
I do it for a girl  
I do it for a girl  
I do it for a girl

Girls, oh girls, they turn my mind around in circles  
Oh girls, oh girls, they turn the world around in circles

Girls, oh girls  
Girls, oh girls
