Common Ground - Walter Trout

Intro. Drums, Guitar

Verse 1

I look all around me, and what do I see. Pain and an-ger everywhere.

An' so much hatred, fear and mi-ser-ry... Lord we wonder, are You there?

Chorus

If there's a place, where the truth can still be found.

Lord lead us to the com~mon ground,

Lord lead us to the com~mon ground, oh yeah.

Verse 2

An' if tommorow, can be a better day , won't You please show the way.

'Cause the day-light fades, and the night is so lo~ong.

We need Your hand, to keep us strong.

Chorus 2

An' we get lo~ost, when there's darkness all a-round.

Lord lead us to the com~mon ground,

I said, Lord lead, us to the com~mon ground.

Bridge

Dis-tan-ces between us, grows greater everyday.

An' hope just fades a-wa-ay, we begin to feel, like we done all that we can do.

Lord we turn to You, Lord Lord we turn to You.

guitar solo

Verse 3

We need to come to-ge-ther, put away our earth-ly pride.

To hear your voice, we only need to come 'long side.

Be gen'rous with Your Spi-rit, and show us what is right.

Smile on us, and let us se~ee The Light.

Chorus

If there's a place, where truth can still be found.  
Lord lead us to the com~mon ground,  
If there's a place, where the truth can still be found.  
Lord won't You lead us, I said, Lord won't You lead us,  
Lord lead us to the com~mon ground.

Outro.

Whoa oh whoa-oh-oh, won't You lead us home,  
Won't You lead us home, yeah, yeah, yeah.  
Lead us, Lord lead us home.

Guitar solo out
