Iâ€™m such a loser it canâ€™t go on no more
Iâ€™m such a loser and it canâ€™t go on no more

Call my girl
Tell her that Iâ€™m one of the best in the world
Sell my name
Tell her that nobody else is in the way

Tell her that nobody else
Makes the moves I make
Carries on my reflections
Carries on my way
And Iâ€™ll be good

Ok me
Making me look my best, so let me know
Call me gold
I can give all I have, thatâ€™s good to go

So tell her that nobody else
Makes the moves I make
Carries on my reflections
Carries on my way
And Iâ€™ll be good

Iâ€™m such a loser and it canâ€™t go on no more
So Iâ€™ll be good

YEAH!

Iâ€™m such a loser and it canâ€™t go on no more
Iâ€™m such a loser and it canâ€™t go on no more

YEAH!
YEAH!
YEAH!
