I know you've been trying to
Conceal you've been lying but
I can't keep on buying so
I've got a question
I've got a question

I've got this impression that
You've got this obsession so
It's time for your confession
I've got a question
I've got a question

Answer me
I know you can hear me
Answer me
You thought you could play me
Answer me
Is it gonna be her or is it gonna be me

Lately I've detected that
We've been disconnected and
I feel disrespected
I've got a question
I've got a question

I know, you lied
Don't wanna, know why
I just, want you
To tell me what is true
