[Chorus]

Will there be someone to hold
when the lights go out
Will I be left in the cold
when the lights go ..
Blackout

I was once
the girl that meet your world
stand still
Don't you remember
In a corner of my mind
I keep the memory
of every little thing you said
you remember me

[Chorus]

You're the one
living underneath
my skin
Don't you remember
In a corner of my mind
I keep the memory
of every little thing you said
you remember me

[Chorus]

Ohohoh...

Don't you know me
don't you recognize me
don't you
wonder why

[Chorus]
