Where were you late last night
3am, car is gone
Three messages no reply
What has been going on
Why don't you tell me baby
What you've been doing lately
I used to turn you on
What has been going on

You say that you don't want to
But you're a man you've got to
And I'm a sexy lady
I'll get somebody else
Why don't you tell me baby
What you've been doing lately
I used to turn you on
What has been going on

Faking love now
So I'm breakin' up now
Faking love now
So I'm breakin' up now
Taken everything
What I was wishing for
Breakin' up now
I ain't taking it no more

So you walk through the door
Don't kiss me anymore
What's that stain on your shirt
I'll get you where it hurts
Why don't you tell me baby
Who you've been doing lately
I used to turn you on
What has been going on

Now someone broke your car
And all your suits are gone
Oh look, the fishtank's empty
Oh boy, this thing is done
Why don't you tell me baby
Who you've been doing lately

I used to turn you on
What has been going on

It's a shame you didn't see
The beauty of you and me
It's a shame you still won't see
That you and I could be
