[Intro]

From a nickel and dime ass nigga  
to a top, top, top - (big rigga)

Check it

Check it out, check it out, check it out, check it  
Check it out

Check it out, check it out, check it out, check it

[B-Legit]

It ain't a cell in this town that can hold me  
And fuck the task force 'cause them suckas tried to  
fold me, scold me  
Told me if I move that they was blastin'  
Got me to the station, hella questions they be askin'  
Who's a big baller? Who supply your crew?  
Who got them big birdies in the box, is it you?  
I never said a word, 'cause nigga I don't do so  
You fools got some questions, better ask the lawyer-  
ooso

[Kurupt]

I'm so international, and all about my cashional  
18 milly irrational, speak mice  
What you want fool, dogg tell me what you need  
Bought a couple pints of Hennessy, an eighth of weed  
It seems time's gettin' shorter  
Time to elevate from nickels, dimes, dubs, to quarters  
Kurupt, B-Legit, and 40 Water  
Niggaz oughta - get to swervin'  
Take a hit, hit the strip, then get to pervin'

[E-40]

Uh squa uh, squab music, mob music  
Ride on a motherfucker and draw down on his ass in  
music  
The 213, the 41510  
Pull a hoe without a motherfuckin' tug of war  
40 Water, your playa partner  
Ever since the womb, I've been a tycoon  
Actin' up (actin' up)

Actin' tough (actin' tough)  
Actin' bad with all kinds of guns and stuff

[Chorus] - X 2  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga

[Kurupt]  
I got a half a ounce, and a 'four to bounce  
A half a brick to flip, large amount accounts  
Life as a young nigga with loot don't count  
Life as a young nigga with loot turned out  
You know it ain't nothin' to it but to do it  
Flow like fluid, you's included  
Pursue it, subdue it, and run through it  
Doin' what I do, it's hard to maintain my composure  
Ah man, they came through with the doja, it's on

[B-Legit]  
The motherfuckin' County ain't the place for the savage  
A cock hound dank, smoke a nigga 'bout his cabbage  
But if I'm ever caught I'ma ride my shit  
Divorce my broad, but nigga keep my bitch  
Bury my mail in my momma backyard  
Steady poppin' cons to correctional guards  
They fucks with my crew 'cause they claim that we be  
trouble  
Them niggaz from the V to the H-I double  
I'm tryin' to get this party, tonight at this motel  
A gang of bitches there, some more on my voice mail  
Bathtub full of the ice and the fifths  
My homie K-1 rollin' blunts at the crib  
First I take a hit, strolls like a pimp  
The motherfuckin' savage with the million dollar limp  
Another big day for this timin' ass baller  
Hit the block, stock in my ninety fin Impala  
Let them pipes holla, I know I'm lookin' saucy  
Nineteen shots, sittin' next to my faulty  
Stash my notch, shake the spot and gets far  
Bitch, I'm a motherfuckin' rap star

[Chorus] - X 2  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga

[E-40]  
Open shop with a sixteenth of powder to a whole zip

To a half ham, now I'm sittin' kilogram  
Niggaz 'spect me to the upmost 'cause I'm highly  
spoken 'bout  
Niggaz love me 'cause they know I'ms 'bout my paper  
route  
I keeps my lawyers and my bail bondsmen paid  
Shit, for all I know they might decide to raid shit  
Back in the day po-po was easily out-smarted  
But now they got some new and improved state of the  
art shit

[B-Legit]

Man, it's goin' down, am I livin' in the past?  
This modern day slavery takin' toll on my ass  
You either take me in, or let this timer go  
Or if you got some charges nigga let this timer know  
I told you I'm a rapper, love to entertain  
Catch me on the stage with a mic spittin' game  
Legit's my name and you can even ask your daughter  
About Kurupt, B-Legit, and 40 Water

[Chorus] - X 4

From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga
