I don't Care (feat. Silvy)

-Hello

-Hi Sil, what's up?

-Oh I am fine, I have some problems with some guys
yesterday in a club, if you know what Im talking about?

-Those stupid motherf*ckers, always the same lies and
playing games Im sick of it

-Yeah, you know wanna have a drink?; Why don't they
just tell us that they wanna fuck with us. So were gonna
tell these guys that we are sick f it

-Tell him girl! Yall ready?

Silvy:

Ive got something in my mind see

Everytime I look around me

Seems like every scrub I see

Is tryin get it on with me

Linda:

Thinking they persist me

The way they act so foolishly

Do they really think they've got it made

I can see right through the masquerade

Silvy:

We say nothing, call us hard to get

When we say no, they call us names instead

They haven't got a clue

Let us spell it out for you

I don't care

I never liked to you anyway

I don't care

Don't you hear me when I say

I don't care

Youre a total waiste of time

And you're never ever ever be mine

Silvy&Linda;:

I don't care

I never liked to you anyway

I don't care

Don't you hear me when I say

I don't care

Youre a total waiste of time

And you're never ever ever be mine

Linda: I don't care

Silvy: I don't care

Linda:
Gonna get this of my chest see
These guys really start to stress me
They should know it doesn't impress me
They've got 50cent on mp3
Silvy:

When we say no, they call us names instead
They haven't got a clue
Let us spell it out for you
Linda:
