In my eyes you'll see,  
The way it used to be  
Take a look and see,  
The light still shines in me (x2)  
There's a part of me,  
That I forgot to be  
Take a look and see,  
The light still shines in me  
Chorus:  
Take a look and see,  
The light still shines in me  
Take a look and see,  
The light still shines in me  
In my eyes  
In my eyes  
In your arms it seems,  
You've taken all my dreams  
Take a look and see,  
The light still shines in me  
There's a part of me,  
That I forgot to be  
Take a look and see,  
The light still shines in me  
In my eyes, in my eyes,  
The light still shines in me (x2)  
In my eyes  
In my eyes  
Chorus:  
Take a look and see,  
The light still shines in me  
Take a look and see  
The light still shines in me  
In my eyes  
In my eyes  
Take a look and see,  
The light still shines in me  
Take a look and see  
The light still shines in me  
In my eyes you'll see,  
The way it used to be  
Take a look and see,  
The light still shines in me
