Like a ghost from the past  
Unheard, unseen, unknown  
I was holding on  
To a life I knew could never last

Like a broken window  
Undone, unsafe, uncertain  
I could walk away  
Leave behind me what I couldn't take

Like a broken window  
Undone, unsafe, uncertain  
I could walk away  
Leave behind me what I couldn't take

Is it naive?  
If I want to believe  
You could see me like before  
Is it naive?  
If I want to believe  
You could see I want it more

Am I invisible?  
Am I invisible?  
Is it so difficult for you?  
To care at all

Am I invisible?  
Am I invisible?  
Is it so difficult for you?  
To care at all

Am I invisible?  
Am I invisible?  
Is it so difficult for you?  
To care at all

Am I invisible?  
Am I invisible?  
Is it so difficult for you?  
To care at all
