You put on a fight  
Blaming me the feeling's gone  
But I know you ain't right  
I never felt it all alone

I hide away my fear  
Hoping no one will come near  
'Cause they can't see me  
When I'm trying to be me

Livin' a lie  
Tell me why I run and hide  
Livin' a lie  
You'll never know me deep inside

I put on a smile  
And try to pretend that I'm all right  
'Cause it's only a while  
'Till I can run into the night

I hide away my fear  
Hoping no one will come near  
'Cause they can't see me  
When I'm trying to be me

Livin' a lie  
Tell me why I run and hide  
Livin' a lie  
You'll never know me deep inside

You put on a fight  
Blaming me the feeling's gone  
But I know you ain't right

I never felt it all alone  
I hide away my fear  
Hoping no one will come near  
'Cause they can't see me  
When I'm trying to be me

Livin' a lie  
Tell me why I run and hide

Livin' a lie  
You'll never know me deep inside

Livin' a lie  
Tell me why I run and hide  
Livin' a lie  
You'll never know me deep inside

I hide away my fear  
Hoping no one will come near  
'Cause they can't see me  
When I'm trying to be me

Livin' a lie  
Tell me why I run and hide  
Livin' a lie  
You'll never know me deep inside

Livin' a lie  
Tell me why I run and hide  
Livin' a lie  
You'll never know me deep inside
