The sun touches my skin  
But I'm freezing within  
Look outside, it's a beautiful day  
But I feel cold inside  
Cause you're so far away

I'm gonna run run fast as I can  
'Cause I just wanna be with you again  
I'm gonna run run out of this place  
So I can see the sunshine on your face

And I can be with you  
Be with you  
Be with you again  
And I can be with you  
Be with you  
Be with you again

Perfect sky's so clear  
But I'm in shadows, 'cause you're not here.  
Look outside, summer's here to stay  
But I feel cold inside, since the day you ran away

I'm gonna run run, run to you  
I'm gonna run run, run to you  
I'm gonna run run, run to you  
I'm gonna run run, run to you

I'm gonna run run, run to you  
I'm gonna run run, run to you  
I'm gonna run run, run to you  
I'm gonna run run, run to you

I'm gonna run run fast as I can  
'Cause I just wanna be with you again  
I'm gonna run run out of this place  
So I can see the sunshine on your face

And I can be with you  
Be with you  
Be with you again  
And I can be with you

Be with you  
Be with you again
