You're out of sight
As i step into the spotlight
Without you on my mind
No more telling what i should
Or shouldn't do

That's behind me now
I'm living in a new tomorrow
There's no question how
I'm standing my own ground

Without you shadow, wo-oh
Your shadow haging over me
I'll never let you, no-oh
Let you take control of me

Without your shadown x4

Without you shadow, wo-oh
Your shadow haging over me
I'll never let you, no-oh
Let you take control of me

Without your shadown x4

I should have known
You're the type of person who can't live
On their own

Always asking me for more
Than i could give

That's behind me now
I'm living in a new tomorrow
There's no question how
I'm standing my own ground

Without you shadow, wo-oh
Your shadow haging over me
I'll never let you, no-oh
Let you take control of me

Without your shadow x4

It's like i can't see
Your shadows over me
Killing my daylight
I need to fight off you

Without your shadow x4

Without you shadow, wo-oh
Your shadow haging over me
I'll never let you, no-oh
Let you take control of me

Without your shadow x4
