Touch me
How can it be
Believe me
The sun always shines on T.V
Hold me
Close to your heart
Touch me
And give all your love to me
To me...
I reached inside myself
And found nothing there
To ease the pressure of
My ever worried mind
All my powers waste away
I fear the crazed and lonely looks
The mirror's sending me
These days
Touch me
How can it be
Believe me
The sun always shines on T.V
Hold me
Close to your heart
Touch me
And give all your love to me
Please don't ask me to defend
The shameful lowlands
Of the way I'm drifting
Gloomily through time
Ohoo oh
(Touch me)
I reached inside myself today
(Give all your love)
Thinking there's got to be some way
To keep my troubles distant
Ohoo oh
Touch me
How can it be
Believe me
The sun always shines on T.V
Hold me
Close to your heart

Touch me
And give all your love to me
(give all your love)
Hold me
Close to your heart
Touch me
And give all your love to me
To me...
