Time has stood still  
since you walked out on me  
Time has stood still  
since you walked out on me  
Time has stood still

(instrumental)

Time has stood still  
since you walked out on me

(instrumental)

Time has stood still  
since you walked out on me  
Time has stood still  
.....  
since you walked out on me  
.....  
Time has stood still  
.....  
since you walked out on me  
.....Time has stood still

(instrumental)
