You're amazing
You're the greatest
You're a real mister wonderful
Always talking
Always bragging
Such a real mister know-it-all

You're so certain
You're so sure that
You are the best I would ever find
Oh that's what you said
Trying to get me in bed
But I know you're tired

You're such a waste of time
Such a waste of time
You're such a waste of time
Such a waste of time

You're amazing
You're the greatest
You're a real mister wonderful
Always talking
Always bragging
Such a real mister know-it-all

You're so certain
You're so sure that
You are the best I would ever find
Oh that's what you said
Trying to get me in bed
But I know you're tired

You're such a waste of time
Such a waste of time
You're such a waste of time
Such a waste of time

You're such a waste of time
Such a waste of time
You're such a waste of time

Such a waste of time

You're such a waste of time

Such a waste of time

You're such a waste of time

Such a waste of time
