Grow up, grow old and die, it's all a waste of time
Abused or be abused, a nice degrading cruise, we
hope you'll like it
Lord no, we're having a ball, yeah
We're having a ball, yeah
We're having a ball, yeah
You learn to love and trust, we show you how to crush
Destroy or be destroyed, we hope you will enjoy, it's
just the way we like it
Lord no, we're having a ball, yeah
We're having a ball, yeah
We're having a ball, yeah
The more we trust we're used, the more we love we're
bruised
Grow up, grow old and die, it's all a waste of time, it's
just the way we like it
Lord no, we're having a ball, yeah
We're having a ball, yeah
We're having a ball, yeah
Abused or be abused, a nice degrading cruise, oh
Destroy or be destroyed, we hope you will enjoy, joy
Grow up, grow old and die, it's all a waste of time, it's
the way we like it
Lord no, we're having a ball, yeah
We're having a ball, yeah
We're having a ball, yeah
