No news - nothing happens
No wins - seem to come my way
But I'm ok
My new friends - don't belong here
My old friends - didn't want to stay
That's ok
It's an infinite monday story
Boring? - yes! that's my adress
Damit - I won't - have it -this way
Damit - I said - I won't - have it
Damit - I said - I won't - have it - this...way
So long - since you wrote me
So long - since I wrote you back
I still live here
Cold springs - what a nuisance
Good things? - well it's hard to tell
But I'm ok
It's an infinite monday story
Boring? - yes! that's my address
Damit - I won't -have it - this way
Damit - I said - I won't - have it
Damit - I said - I won't - have it - this...way
Dare I say I feel a bit psycho
Dare I say - it feels very nice...though
Ride - oh
End - oh?
