Have another one, yeah

Have more of all, yeah

Sitting on a spaceball, looking smart

Making babies, breaking hearts

Have another one, yeah

Never ending fun

Sitting on a spaceball, looking smart

Oh, yeah

Have another one, yeah

Never ending fun

Wasted maybe, we don't care

Oh, yeah

Have another one, yeah

Never ending fun

Sitting on a spaceball, looking smart

Making babies, breaking hearts
