Monday's no fun  
Tuesday's the same  
Wednesdays might go out - at least something  
Thursday's the day  
After wednesday  
Fridays I go out - at least something  
Hit - who's calling this a  
Hit - well I deserve a  
Hit - calling this a  
Hit - I don't deserve it  
Mon...mon  
Day's...day's  
No...no  
Fun...fun  
Tue...tues  
Sdays...days  
I...I  
Go...go  
Out...yeah?  
Oh nothing  
Thursday's headache  
And I deserve it  
Fridays I go out - at least something  
Hit - who's calling this a  
Hit - well I deserve a  
Hit - calling this a  
Hit - I don't deserve it
