Always when we fight  
I try to make you laugh  
Until everything's forgotten  
I know you hate that

Ba ba ra ra ba ba ba ba  
Ba ba ra ra ba ba ba ba

Always when we fight  
I kiss you once or twice  
And everything's forgotten  
I know you hate that

I love you Sunday sun  
The week's not yet begun  
And everything is quiet

And it's always  
You and me - always - and forever  
You and me - always - and forever  
Ba ba ba ba ba  
It was always  
You and me - always

You tell me I'm a real man  
And try to look impressed  
Not very convincing  
But you know I love it

Then we watch TV  
Until we fall asleep  
Not very exciting  
But it's you and me  
And we'll always be together

You and me - always - and forever  
You and me - always - and forever  
Ba ba ba ba ba  
It was always  
You and me - always - and forever  
You and me - always - and forever  
Ba ba ba ba ba

It was always  
You and me - always - and forever  
You and me - always - and forever  
Ba ba ba ba ba  
Babaroah
