Wish that I was there,
On that silent night,
When your tiny heart started beating for mine,

I wish I couldn't see,
The star in David's town,
When you turned a stable into Holy ground.
I sing along, the angels song.

CHORUS

Noel, Noel, Jesus is alive.
Emanuel, hope is here tonight.
So go, and tell, the world that death has died.
'Cause Jesus is alive. Yea Jesus is alive.

VERSE 2

The God who made us all,
With these two little hands,
Is bringing us his kingdom quiet as a lamb.
Oh such Amazing Grace!

A divine conspiracy.
This Savior in a manger changes everything.
That's why we sing.

CHORUS

BRIDGE

Sin you have no sting.
Hell you have no power. (Jesus is alive)
Curse you are no more.
This is your final hour. (Jesus is alive)
Because the son of God
Has not left us alone. (Jesus is alive)
He'll live and die and rise again, and then he'll bring us
home. (Jesus is alive)
The old will pass away
And we will become new. (Jesus is alive)
This baby boy is making all sad things untrue.

CHORUS 2x

Jesus is Alive!
