let's go!

we are gonna have some fun
riding horses in the sun
looking for adventure
riding with the wind
it just makes u wanna sing

chorus:

we're on top of the world
feeling so high
we just wanna be free
we're on top of the world
having fun in the sun
just u and me

lets all go out for ride
there's no time to be inside
let's go chase a rainbow
yellow, red and blue
i don't care as long as it's with u

chorus

we're on top of the world
feeling so high we just wanna be free
we're on top of the world
wouldn't change anything
i just wanna be me
let's go!

i can hear u call my name
are u gonna come and play
i can hardly wait
for the break of day
it just makes me wanna say

chorus

we're on top of the world
feeling so high

we just wanna be free
we're on top of the world
having some fun
i just wanna be me
