Verse 1

Ev'ry bit of history, and ev'ry single breath we
Breathe
Has led us here and brought us to our knees
From carrying the curse we bear, and praying that He's
Heard our prayers
To set us free, oh, set us free

Pre-Chorus

'Cause we could never get back home with broken
hearts
So home has come to meet us where we are

Chorus

So sing that God is with us, sing
He has come to save us, sing
He will never leave us
Glory in the highest! Ev'rybody sing
To the Child who is our King
He has come to bring redemption to us

God is with us

Glory in the highest! Ev'rybody sing

Verse 2

For He is born in Bethlehem, the Son of God and Son of
Man
This little Child is changing all we know
By carrying the curse we bear, for ev'rybody
ev'rywhere
And He would someday die to bring us life
And we will rise to meet Him in the sky

Bridge

Jesus, Jesus, in a manger lay with the world to save
Jesus, Jesus, in a manger lay with the world to save
'Cause we could never get back home with broken
hearts
So, home has come to us
