to the barn
let's meet
let's go
on a trail ride

let's trot
through the woods
got your back
always on your side

there's always something to do
we'll just follow you
a horsewoman's work is never done
we're the saddle club
we have fun and adventure in the sun

to the stalls
let's meet
let's go
do some stable chores

let's pitch
let's scrub
let's sweep
til the stable's sparkling clean

there's always something to do
we'll just follow you
a horsewoman's work is never done
we're the saddle club
we have fun and adventure in the sun

to the show
let's meet
let's go
show off and compete

let's jump
clear round
first prize
take a victory lap

there's always something to do
we'll just follow you
a horsewoman's work is never done
we're the saddle club (saddle club, saddle club)
we have fun and adventure in the sun

let's go
we're the saddle club
let's meet
fun and adventure in the sun
