Wipe these tears from my eyes  
Spit off my face  
Blood on cheek  
Put you in your place  
Start to run  
Out of hear  
Don't look back  
On your fears

-chorus-

Why don't you bring  
Your fears to me  
Why don't you look  
Blind eyes can't see  
Hold your ground here  
Words can't save you  
Show what you have  
Fate can't save you

Start to run  
Out of here  
Don't look back  
On your fears  
Start to run  
It's coming in close  
Soon you'll know  
Start taking the blows

-chorus-

Why don't you bring  
Your fears to me  
Why don't you look  
Blind eyes can't see  
Hold your ground here  
Words can't save you  
Show what you have  
Fate can't save you

Start to run  
Out of here

Don't look back  
On your fears  
Run, run, run, run  
Run, run, run, run
