Lane Meyers at the top of the slope.  
Looking down thought he didn't have no hope.  
With his back to the wall there was no escape.  
So he ran the k-12 and he broke the tape.

If you live here long your bound to see.  
Things are going down or is it just me.

I wanna blast off and go up there.  
And get a lung full of that heaven air.

I'd be better off dead.  
That's what I said

I'm not from this world I'm just passing through.  
But I'll hang till he comes back for me and you.  
It's a sick world!  
Sick! Sick! Sick!  
And it's ticking like a time bomb  
Tick Tick!! Tick!
