### "Counterfeit"

How are you doing?  
How have you been?  
Yeah it's good seeing you again.  
Why did I leave your company?  
I thought that it was plain to see.  
You know it's been so long.  
I hope this doesn't come out all wrong.  
But I had to separate myself.  
From those who put the truth on a shelf.

I don't want no counterfeit.  
Don't wanna see you throw a fit.  
I don't want no counterfeit.

I hope you don't feel you've been attacked.  
Or that you've been stuck in the back.  
It's just that I can't turn my head.  
You're good intentions left me for dead.

"You gotta fake it 'till you make it."
