Gimme some time to clear my mind.  
Oh the mess up in my head.  
Try to get it tight but the dashboard light.  
Turned on been blinking red.  
When I get dead set you better better bet.  
I'll just go like a train.  
But I lost my track I've got to get back.  
Or I'm gonna burn coal in vain.

G-E-A-R-H-E-A-D

Gimme that chance a song and a dance.  
And teach an old dog a trick.  
Last time I tried well I almost died.  
From shooting up dope for kicks.  
But I got me a heart and a brand new start.  
And I walk in the narrow way.  
Gonna follow that man with holes in his hands.  
Until my dying day.
