"Get Smart"

You call me every year or so.
'Cause you're the only one I know.
Once again it's all the same.
I'm sick of playing this old game.
So I just thought I'd call you up.
You know I'm going to call your bluff.
But his time it will be for real.
Alright then here's the deal.

You pull yourself together.
Do what I say and you'll be fine.
You're playing with your life you know.
You pull yourself together.
Get smart!

That's just a little much for me.
Oh you don't ever want to see.
I think it's time for me to go.
You've hung around a day or so.
And that's about your maximum.
I've got to go get myself numb.
When you get sick of your insane.
My number is the same.
