Look into these eyes and see.
I'll not be what you want me to be.
Shake my hand and stake your claim.
You'll only fan the flame.

Seeds of love.
Won't leave you cold or flat oh no.
More effective than a baseball bat.
Now what you think of that?

Look into these eyes and know
I'll not go where you want me to go.
You can't move me I'm in too deep.
I am no longer asleep.

You ain't never gonna change my mind.
Too many years since my eyes were blind.
But look into my heart that yearns.
I'll show you why it burns.
