"Stalker"

You got a stalker.
Just call me Jack.
You'll never see me 'cause I got the knack.
I call you up on the telephone.
Well you can bet I'll never leave you alone.

'Cause I'm a stalker.
Not just a talker.
Hey I'm a stalker.
And I'm coming after you.

I've got your number.
I've got your name.
Your home address I know I sound insane.
This situation.
Can't leave it be.
I wanna see you in eternity.

Open your eyes.
Open your mind.
Open you heart.
Let me in.
