### "The Coffee Song"

The coffee's good so I'll have myself another cup.  
I'll let you know when I've had enough they tell me that  
it's bad for you.  
But I just can't believe that's true.

Some like it black still others like it white.  
Well I like mine to pack a bite.  
And if those beans are freshly ground.  
It's bottom's up I'll have another round.

I like coffee.  
I don't like tea.  
That's the ABC's of me.  
It's as easy as 123.  
I like coffee.  
I don't like tea.

Folk's tell me that it's so bad for you.  
Well I don't understand what's the big-to-do.  
They grow it and pick it and pack it with love.  
I believe it came from heaven above.
