You think you're cool cause you know every girl in town,
but you don't do
Cause when you're out at night they don't look your way
You've got all that trendy shit and a jolly air for brains
And you are busy to watch out for that ugly girl you
know

You think girls like that will ruin your style
Cause a perfect guy like you need something more
You're so cool, your'e so cool, you've got everything a
girl desire
You're so cool, your'e so cool, with a perfect butt you
can go far

You're telling me that I am thinking way to small to
understand
That you have reached your goals and I am far away
And all the things you say that you know I don't want to
hear
So throw your empty words away and listen to what I
say

I'm not jealous in all the lies you tell,
Just take it easy you might end up in hell

You're so cool, your'e so cool, you've got everything a
girl desires
You're so cool, your'e so cool, with a perfect butt you
can go far

You're so perfect, you've got everything and you are
way to cool
To understand that you are out of line

She said so, she said so, you've got everything a girl
desires
She said so, she said so, with a perfect butt you can go
far

You're so cool, your'e so cool, you've got everything a
girl desires

You're so cool, your'e so cool, with a perfect butt you
can go far
You're so cool, your'e so cool, you've got everything a
girl desires
You're so cool, your'e so cool, with a perfect butt you
can go far

(fading...)

You're so cool, your'e so cool,
You're so cool, your'e so cool,
