Come as you like
Bearing smiles or screams or backdoor dreams babe
as you like
Come as you like
Smoking fools and pipes or making faces
as you like
It's been cold
Flying on a power in the breeze
Prayed so much you nearly lost your knees
The story's old
Trying to be a harmony when
someone comes crashing into me, yeah
Come as you like...you like
Come as you like
I've got curious ears and a cozy mind
So let's curl up some time
Come as you like
I'll just winnow me down
I won't close my eyes
So let your kisses fly
It's been cold
Flying on a power in the breeze
Prayed so much you nearly lost your knees
The story's old
Trying to be a harmony when
someone comes crashing into me, yeah
Come as you like, yeah
You, you
Come as you like, yeah
Your life
You...your life, your life, your life...baby
It's been cold
Flying on a power in the breeze
Prayed so much you nearly lost your knees
The story's old
Trying to be a harmony when
someone comes crashing into me, yeah
Come as you like, yeah
You, you
Come as you like, yeah
You, you
Come as you like...your life
