Strike

(Repeat 7x)

You strike get pissed that is just the way it is
Use your nose to the melancholy funk sound
We are just a couple of local bowlers hanging out
Tonight, leaving all the girls behind
The funky melancholy sound
So what's a girl compared to a perfect game
I guess a lot if you find the right one
If I had to chose between a bowl or you
I'm not telling you, you're taking it the wrong way
I love the feeling that I get when I strike
That's the only time I feel alive
Don't need you baby just need to strike
I love the feeling that I get when I strike
You are in trance when you slick into the area
You pass the sa when you're taking of your pumas
The way we bowl is cleaner than the other styles
It's pro but they say we're doing it the wrong way
We're doing it the wrong way
So I guess you must be crazy to bowl like we do
It's cool we're doing it our own way
No fools no girls just the rude boys from the south
Kickin' it slickin' it trickin' it again
I love the feeling that I get when I strike
That's the only time I feel alive
Don't need you baby just need to strike
I love the feeling that I get when I strike
Do it Fred
Yes that's right
Bowling is alright
The only time I fell alive is when I'm hanging at the A-
house
That's right
Pass me those shoes
I'm waiting for the perfect game so watch me shoot
If you get upset and you don't understand
It's quite alright just follow your instincts
Physical activity is the way to free your mind
So get on your feet and bowl to the funky beat
Bowl to funky beat

Bowl to the funky
Bowl to the funky
Bowl to the funky beat
