Can't you see that he's a fake thing
Can't you see that he will break things
For a start he will break your heart
And after that he'll never pick up the parts

But I'm not a guy with muscles, I'm a guy with brains
If you come to me you'll never feel pain
My everlasting charm won't cause you no harm

Can't you see that he's a big hype
Can't you see that he's not your type
Can't you see it in his blue eyes
Can't you see he's so full of lies

But I'm not a guy with muscles, I'm a guy with brains
If you come to me you'll never feel pain
My everlasting charm won't cause you no harm
I won't cause you no harm
One, two, three, six
