One day slackin' with no one  
Doing nothing the best way that I can  
Searching thru my records looking for that hero song  
I take my slippers and put them on  
In my bed I spend most of my time  
Way to tired to write down a clean rhyme  
I say bedskating is a lot cooler when the trucks are on  
Please tell me, am I right or wrong  
Fazil's friend is here to let you know  
What it's like when you wanna be the o.s.  
Slackin' on the phone or slackin' all alone  
I'll be nr one when I turn o.s.  
Hila zaka hasaro kwango  
Don't know what it means but it's your job to find out  
Call me up when you've got something bad to say  
And I will listen in my own way  
Fazil's friend is here to let you know  
What it's like when you wanna be the o.s.  
Slackin' on the phone or slackin' all alone  
I'll be nr one when I turn o.s.  
Try to be someone  
Best way that I can  
Bothering no one  
Only what's inside me  
(Repeat)  
Fazil's friend is here to let you know  
What it's like when you wanna be the o.s.  
Slackin' on the phone or slackin' all alone  
I'll be nr one when I turn o.s.
