I wonder what the best thing is
To have a face or to have charm?
Well, my girl's twofaced and she's a fartalarm
I'm not blind and I do have nose,
But I don't wanna use it now,
I rather try to follow my heart this time
Good looks, it makes me nervous
I need someone who's not perfect.

It's you, you're overweight and lovely,
Yes it's true, a pig in walking shoes
You drool every time we kiss, I must say you rule
I'm falling in love with you.

I know that all those trendy girls
Would leave me when I'm broke
And also be disgusted if I smoke, no joke.
I don't need a model
Unless she has a major body.

Just an ounce of human touch, I realize it's a
killercrush,
I'm dancing, I'm overjoyed.
I took a chance on you cause I wanted some romance
To and now I'm happy as can be
Cause this supersized woman means all to me.
