(lyrics by operation ivy)

I know that things are getting tougher  
When you can't get top off from the bottom of the  
barrel  
Wide open road of my future now...  
It's looking fucking narrow

All I know is that I don't know nothing

We get told to decide  
Just like as if I'm not gonna change my mind

All I know is that I don't know nothing

Whatcha gonna do with yourself  
Boy better make up your mind  
Whatcha gonna do with yourself boy  
You're running out of time  
This time I got it all figured out:

All I know is that I don't know nothing...  
And that's fine.
