Another fairytale about these enndless feelings and  
when it's heating up  
I think I'm stuck forever, I try to lose some weight, I try  
to get in shape  
But in the end I always end up lost inside myself.

Up and down gets nothing done, I just keep it waiting  
Round and round out with the thumb, no, I just keep on  
waiting.

Twelve numbers stare at me, sometimes it's not that  
easy, instead of waking  
Up I think I'll sleep forever, what happened to the  
dayroutines that always kept  
Me going? where the hell are all the dreams I had  
about my life?

... now, but, someday I'll get the time, to get me back  
on the right track and no  
More slack, got to keep an open mind, I got to get out  
of this daily grind  
And deep inside I know I will.
