By lou reed  
Satellite's gone  
Up to the sky  
Things like that drive me  
Out of my mind

I watched it for a little while  
I love to watch things on tv

Satellite of love (x2)

Satellite's gone  
Way up to mars  
Soon it will be filled (baby)  
With parking cars

I watched it for a little while  
I love to watch things on tv

Satellite of love (repeat)

Monday, tuesday, thursday, friday  
Monday, tuesday, wednesday, friday (repeat)

Satellite's gone  
Up to the sky  
Things like that drive me  
Out of my mind

I watched it for a little while  
I love to watch things on tv

Satellite of love (repeat)
