Lurk beneath the surface, yet hidden in plain sight  
Forbidden thoughts shall be revealed, initiation rite

From out of the darkness, step into the light  
Rid yourself of the lie...  
THE LIE!

Behold!  
That which has been denied  
Through time and space  
That which has been...

Lost and damned forgotten, for a thousand years  
The plan is set in motion, all will be made clear

Come out of the darkness, bringing forth the light  
Break the chains of the lie...  
THE LIE!

Behold!

COLD ARE THE STARS AS THEY LAY FAR BEYOND THE  
NIGHT SKY  
LOOKING DOWN ON US, WATCHING, AS WE FADE...

As we fade away!

An echo  
Echoes. AGH.  
Echoes from the void!

COLD ARE THE STARS AS THEY LAY FAR BEYOND THE  
NIGHT SKY  
LOOKING DOWN ON US, WAITING, AS WE FADE...

FADE AWAY!  
AWAY!

Have we been betrayed?

Solo - Carroll

The secrets  
That they have lost  
We have kept...  
At what cost?  
Knowledge will remain  
Another day  
Even as our souls pass away!

Far beyond  
All the keepers  
Are all gone  
Nothing will remain  
All destroyed  
Just an echo...  
An echo from the void!

Still it presses on... an echo  
Echoes. AGH.  
Echoes from the void!
