Welcome to the devil's night, when the city burns you
can see my might
Hide your eyes from the burning manor, hide your face
from the evil glamour
Feel the pain of the hungry flames, see the demons
brake their cages
One with fear can't you feel the desire, Caution! 'Cause
you play with fire
Are you really feeling still alright? Meet the architect of
hell tonight
Wrap your shoes I hope they're fine, for another death
trip on a cocaine line

Don't talk about my cruelty, your life's a small part of
my destiny
It's like a game show that you play, the prize is bigger
the longer you stay
Fait votre jeu and try to win, the excuse to plot out your
sin
Congratulations you've finally won, a one-night-stand
with the devils son

Are you really feeling still alright? Meet the architect of
hell tonight
Wrap your shoes I hope they're fine, for another death
trip on a cocaine line

In the devils night prays the one who cries, In the devils
night for the one who dies
In the devils night burns a little liar, Don't play with me,
'cause you play with...

'cause you play with...

In the devils night prays the one who cries, In the devils
