I Saw Red
Warrant
Oo it must be magic
How inside your eyes I see my destiny Every time we
kiss
I feel you breathe your love to deep inside of me
And if the moon and stars should fall
They'd be east to replace
I would lift you up to heaven
And you would take their place
Then I saw red
When I opened up the door
I saw red
Heart just spilled on to the floor
And I didn't need to see his face
I saw yours
I saw red then I closed the door
I don't think I'm gonna love you anymore
Everyday I wake up
I thank God that you are
Still a part of me
Opened up the door to which
So many people never find the way
Snd if the sun
Should ever fail to send it's light
We will burn a thousand candles
And make everything alright
Then I saw red
When I opened up the door
I saw red
Heart just spilled onto the floor
And I didn't need to see his face
I saw yours
I saw red then I closed the door
I don't think I'm gonna love you anymore
I've been hurt
And I've been blind
I'm not sure that I'll be fine
I never thought it would
End this way
Oo it must be magic
