"Live Inside Of You"

I don't want to be
I don't want to see
You so happily, hangin' around
A christmas tree
I don't want to know
But I don't want to go
Before I start to share
How much I think I really care
I don't want to walk
I don't want to talk
I can't offer you
Anything pretty with a view
I'm not growing up
I'm just getting old
It's so fucking cold
Anywhere even close to you

CHORUS

In your mouth, in your mind
In your body from behind
In your heart, in your dreams
Inside of you until you scream
All I wanna do
Is live inside of you
