My Bloody Valentine

Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life

I ripped out
His throat
And called you on the telephone
To take off
My disguise
Just in time to hear you cry when you...

You mourn the death of your bloody valentine
The night he died
You mourn the death of your bloody valentine
One last time

Singin'...

Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all
I don't know wrong from right
All I know is that I love you tonight

There was
Police and
Flashing lights
The rain came down so hard that night and the
Headlines read
A lover died
No tell-tale heart was left to find when you...

You mourn the death of your bloody valentine
The night he died
You mourn the death of your bloody valentine
One last time

Singin'...

Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all
I don't know wrong from right
All I know is that I love you tonight

Tonight

He dropped you off, I followed him home
Then I, I stood outside his bedroom window
Standing over him, he begged me not to do
What I knew I had to do cause I'm so in love with you

Oh, my love
Please don't cry
I'll wash my bloody hands and
We'll start a new life
I don't know much at all
I don't know wrong from right
All I know is that I love you tonight
Tonight
