"Nobody Else"

I fade to black I turn to grey
When ever you have gone away
I can't decide what I should eat
Without you I am incomplete
When you're back I have to say

CHORUS

When I'm sick and tired
You make me well
Any little thing
You do I can tell
You make me feel
Like nobody else
Like nobody else

Hold my breath till I turn blue
I try to think of things to do
Try so hard to watch t.v.
It always ends up watching me
Dying to see you

Chorus

Ohh, like nobody else
Nobody else, No-Oh No-Oh
Nobody else

I fade to black I turn to grey
Whenever you have gone away
When you cry it hurts like hell
And if you die I kill myself

CHORUS

Yeah, Oh, Yeah
When you make me feel bad
Any little thing on my mind
You do I can tell
You make me feel like...

Nobody else
Like nobody else...

Nobody make me feel like you do
Makes me feel like you do
Makes me feel like you do
Makes me feel...
Yeah, nobody else
Nobody makes me feel
Nobody makes me feel
