Certain things you do  
Really make me mad I must confess  
The way the street light silhouettes  
Your thighs inside your dress  
Wild dchild in the strees  
I think I see you  
But I really don't know  
One million miles an hour  
Headed out to where the down boys go

#### CHORUS

Whoah can we rewind  
To where we've been  
Ooh I wish you'd take a look  
And see the shape I'm in  
Where the down boys go (go)  
Where the down boys go (go)  
Where the down boys go  
I wanna go where the down boys go

You comb your hair  
Put on your shades  
You look real cool  
Gimme the runaround  
Make me feel like your fool  
You got a lot of never  
To call me cheap  
Even though it's true  
I don't care where we go tonight  
Take me along with you

#### CHORUS

Baby

Certain things you do  
Really make me mad I must confess  
The way the street light silhouettes  
Your thighs inside yoru dress

#### CHORUS
