

Millencolin "A Whole Lot Less"

Visit "[A Whole Lot Less](#)" on MotoLyrics.com

i spend my time thinking about you and i know,
i should think less.
im caring about you girl,
i care a whole lot less.
i give my self to you and now im so less.
im always thinking about you yeah.

i think a whole lot less,
a whole lot less,
a whole lot less,
a whole lot less.
